

BOOMERANG Workshop

Glenda
Wilder
Designs

Join Glenda Wilder for a one-day workshop featuring her popular Boomerang pattern. Learn “advanced” chain piecing layout and assembly method but don’t be fooled by the name. This technique is suitable for all levels of sewing experience – *including beginners!* Fat Quarter friendly, this modern pattern makes up fast, fun and is the perfect showcase for a curated fabric collection or as a colorful stash buster. Choose any of your favorite color combos!

Supply List

- 2 yards background fabric (or 95 precut charm squares)
- 10 fat quarters or 10 coordinating fabrics with contrast (should stand out from each other when placed side by side)
- Marking pen or pencil
- Small note paper or Post-It pad
- Machine in good working order with thread – don’t forget your power cord and foot pedal!
- Standard sewing notions including pins
- Colored pencils (optional)
- Rotary cutter, ruler and cutting mat if you will not be cutting in advance

Workshop Prep

To get the most from the workshop, Glenda recommends confident quilters come with fabric already cut OR select precut charm squares for any/all of the required fabric squares.

(Participants may vary the size of the square if they prefer a larger or smaller finished quilt top. 5” x 5” charm squares yield a 45” x 63” quilt.)

You will need:

- 95) 5” x 5” squares background fabric
- 4) 5” x 5” squares from each 9 different accent fabrics (36 charm squares total)
- 9) 5” x 5” squares from fabric intended for center/focal point square

TIP: Don’t try to “lay out” your fabrics prior to the workshop. A clever stacking/labeling method you’ll learn in the workshop is all part of the fun of finishing a quilt top in a single session!
