

## **New Tricks Supply List**

Renee Darkis 2019

This class is designed to teach basic skills or improve/reinforce good quilting techniques. We will discuss cutting, sewing, trimming, ironing and pressing as well as talk about specialty rulers. For this class we will be making sample blocks to teach the techniques.

If you do not want to create UFO'S you may bring red, white and blue fabrics and donate your samples to the Military Service Project.

### **Supplies Needed for class**

(The 4 fabrics will be used to make various blocks. Please have contrasting colors or dark, medium and lights.)

2 fat quarters or equivalent

2 - 6 inches by width of fabric in contrasting colors (not precut strips)

Rotary cutter and mat. Be sure your blade is sharp.

6 x 12 ruler or whatever size you have

Sewing machine and thread

General sewing supplies, scissors, seam ripper, extra machine needle, etc.

Special rulers you love and perhaps those you hate or just don't understand

The use of the essential triangle and the companion angle tools will be demonstrated.
