

Fabric Wrapped Corded Bowls

December 3rd, 2021

9:00am - 3:00pm

Location: Trophy Gardens craft room - assuming restrictions have been lifted

Supplies to bring:

- ___ Sewing machine with zig zag capability
- ___ #90 or #100 Topstitch needles
- ___ Clothesline, 100% cotton, no polyester core. You can purchase this at hardware stores and hobby stores. Do not purchase from Walmart. You want cording that is not too stretchy so that it will hold the shape of your bowl.
- ___ Fabric strips, cut approximately 1" wide, the width of the fabric. Shorted strips can be used, but you will have to join them more often.
- ___ Thread - variegated are great in the top, but solids can also be used. For the bottom, polyester (like Bottom Line) works great, but cotton can also be used.
- ___ Aleene's fabric fusion glue, available online or at Michael's or Hobby Lobby
- ___ Sharp scissors
- ___ Instruction book for your sewing machine

Please wear a mask if you are not vaccinated.
