- Pins
- Scrap paper to write notes, pen/pencil

Designer - Kitchen Table Quilting

My Quilt -I used a black fabric as my Light Value.

# Mini Plaid-ish Supply List

Finishes at 50" x 64"

Since this is a "smaller" quilt, we will cut in class and work on getting at least half of the rows put together. If you would like to cut before, here is what you need to do:

## **For each of the FQ Dark Value:**

6 — 1 1/2" x 4" (30 total)

16 — 4" x 4" (80 total)

## **For each of the FQ Mid Value:**

3 — 1 1/2" x 1 1/2" (15 total)

12 — 3" x 4" (124 total)

16 — 1 1/2" x 4" (80 total)

## **For each of the F8th Dark Value:**

3 — 1 1/2" x 1 1/2" (12 total)

8 — 1 1/2" x 4" (32 total)

## **For each of the F8th Mid Value:**

4 — 1 1/2" x 1 1/2" (16 total)

12 — 1 1/2" x 3" (48 total)

16 — 3" x 4" (64 total)

## **From Light Value:**

20 — 1 1/2" x 1 1/2"

62 — 1 1/2" x 3"

48 — 3" x 3"

This is a scrappy quilt, so we are not going to "organize" the layout of the colors. It will be fun, you will be surprised, and a beautiful quilt will be the end result.
