President's Threads That Bind

by Kathe Letulle

This weather has stagnated members in the Valley as well as our members back home in other states. Our prayers went out to every member during this unusual weather – some with ice and snow, some with no water, some with no electricity for days, and a mixture of all the above. During this rare time, I kept thinking "God has a Plan." Not knowing what the plan would be, I had to believe that everything will eventually be AOK. Blessings to all!!! Those of us in the Valley were caught unaware. We all are in the Valley to have a mild winter – but the beginning of 2021 was quite a surprise.

I hope all had a chance to view the Guild virtual quilt show, vote, bid and purchase from the vendors. For our first virtual, it went very well. Every event has a few glitches – even in person shows – but we overcame! More in March about the virtual quilt show.

Your Board is very much interested in your comments and opinions, solutions to areas that you feel need improvement, and/or assisting by being an Officer/Board member. Elections are upcoming for President, Secretary and Vice President–Programs. Be thinking of which position you would be best suited. I know that this a trying year and hopefully 2022 will not have the troubling issues as 2020 and 2021. All

Board members have learned to survive and ensured your Guild is functioning in tip top shape. We have truly been blessed.

Although Zoom is not the same as in person, at least we get to see faces and feel closer to one another. At this time, this is the best we can do to keep the Guild Family connected.

ALL Members - ALWAYS check the website for any updates, access to Board and meeting minutes, and what is going on within the Guild during this time of getting back to what we feel will be a normal life. See you at the next Guild Meeting - March 13th at 9 AM Central Time.

We are all bound together by a common thread – quilting!

Blessings! Kathe - <u>President@rgvqg.com</u> 956-272-2377

Military Service

by Mellie Peach

Sew N Sew Bee located at Snow to Sun Resort. 1701 N. International Blvd, Weslaco has been involved in making Military Service Quilts this past month along with keeping up with one another. Covid-19 has presented us with challenges no-one foresaw. Each Tuesday at noon we get together on Zoom. We've had as many as 12 of our quilters in our sessions. Because we are still in a lock down mode, we had to cancel our planned Military Sew

Day and think outside the box. Fabric was a concern. We contacted Lucy Klass with MSQ who suggested that there were scraps available that were not being used. Mellie Peach went to the MSQ work day at Alamo Country Club on 15 January and retrieved over 3 bins of scraps, plus 2 bags of external scraps. Kathy Kratz diligently sorted through all of the scraps and pressed those that were large enough to cut strips or blocks from. Anything less than 1 inch was added to the animal beds that Kathy makes for the Weslaco Animal Shelter. Fabric was cut to size and 2 string guilts, along with several strips and block quilts have been made. We also have bound 10 quilts for MSQ this past month. Two work days have been held on Guild member Linda Burggraff's patio where two tables and chairs from Snow to Sun's Quilt Room were lent to us. February 3, 2021, was basically for cutting 7 of our star block quilts after fabric was donated by Guild members. One star quilt top was completed that work day while Diane Crofton pressed fabric, Kathy Kratz, Tresa Schwery and Nancy Heeter cut blocks and Mellie assisted where

needed and took photos. 4 "kits" were taken home to be completed by Linda and Mellie. Kathy

continued cutting blocks and making quilt kits before the next sewing session where we had 8 of our quilters who were joined by Pam Manley from MSQ and Diana Wolf, RGVQG secretary. Quilt tops were turned in, and several others sewn and we took a few minutes off to take a group photo with some of the completed tops and the two Guild representatives on February 10.

Another quilting day will be scheduled as soon as this current cold stretch has finished. The plan is to continue sewing on the

patio until we are allowed back into the Snow to Sun Quilt Room. We certainly miss our Canadian members and those who, due to Covid 19, have not or cannot come "HOME."

Seated: Kathy Kratz and Pam Manley. From left: Tresa Schwery, Susanne Deg, Diane Crofton, Linda Burggraff, Diana Wolf, Mellie Peach, Barb Diedrich and Carol Rosiere.

Bee News

by Pam Manley

We are in conversation with a group of quilters at Magic Valley RV park who are considering becoming a Bee. We met with the Snow to Sun Bee who were very busy making military service and other quilt tops They submitted a newsletter article about their activities that day. Planning has begun to contact more Bees and sewing groups.

The following are good reasons to stay in or join the Guild:

- 1. Gain friendship with like-minded quilters.
- 2. Retreat, a slumber party with like-minded people and sewing time, uninterrupted.
- 3. Learn new skills and techniques.
 - A. Learning helps keep your mind sharp.
 - B. You can practice on quilts made for others who are generally thrilled to be remembered.
 - C. There is much satisfaction in doing for others.
 - D. You will never be bored.
- 4. Participate in swaps or group buys.
- 5. Opportunities for quilt challenges and contests.
- 6. Special offers and pricing for Guild members.
- 7. Get feedback and advice, and you can ignore the quilt police.
- 8. Find inspiration.
- 9. Get prizes and free stuff.
- 10. Show and Tell about your latest project.
