A quorum of board members was present.

Agenda

New Treasurer Business- Mike will be working on next year's budget and contacting people who have guild property to complete a physical assets inventory. The new CD was purchased on July 8th.

*Membership-*We added one new member this month bringing the total to 237 members.

*Community Service-*a reminder was given to report the hours that you are volunteering with the Weslaco library classes.

*Programs-*July program class cancelled due to lack of attendance. McAllen library is requesting help to form a sewing class like the one Josie has at the Weslaco library. Some discussion took place regarding having sewing classes with the church.

*Military Service Quilts-*Fifteen quilts were given to eligible Veterans. We are running low on completed quilts.

Publicity-Marsha recommended placing ads in the Welcome Back RGV publication. The winter Texan Expo was not recommended due to the cost of a table. A suggestion was made to look into a booth at January's SPI Market Days. The goal is to get the guild name out into the public as well as selling opportunity quilt tickets and increasing membership.

New business-There was discussion concerning the purchase of guild car stickers which feature the guild emblem and are 4 by 4 inches. Currently stickers cost \$1.

Lynne Johnson made a motion to adjourn, and it was seconded by Carrah Maney. The motion passed unanimously.
